ABOUT THE FORM FORUM

The **FORM Forum** brings together **EARPA Members** and influential stakeholders from the **automotive industry, academia, governments, and representatives from the European Commission and Parliament** in the form of a conference and exhibition. It is organised by **EARPA**, the association of independent automotive R&D organisations.

ATTENDING THE EVENT WILL ALLOW YOU TO:

- 1** **Get insights** into topic such as the future of transport, energy systems, and circular economy.
- 2** **Gain exclusive access** to the latest innovations and research at the exhibition.
- 3** **Increase your visibility** and share knowledge with some of the greatest minds in the automotive sector.
- 4** Establish and maintain **meaningful connections** with professionals from the European road mobility and automotive sector.
